

Youth Bowl Canada is delighted to be participating in, and offering to Canada's youth tenpin bowlers, the Teen Masters Championships. This initiative is an augmentation of YBC's previous Carl Malcolmson Scholarship. YBC is now offering bowlers an opportunity to compete for scholarship funds in the US alongside youth bowlers from all over the United States in the North American Finals, which will be held July 23 - 28, 2023 in Detroit, Michigan.

The Teen Masters is a different championship from the norm in that all competitors meet under the same conditions. Every competitor uses the same bowling ball (details below) and faces the same challenges. This has always been the philosophy of Teen Masters, and you can find more on the history of the event (now in it's 26th year) at <https://teenmastersbowling.com/history.html>. ## Eligibility

To be eligible to compete in the Teen Masters event, bowlers must be 19 years of age or younger at July 28, 2023.

## Qualifying

For this season (2022-23), YBC bowlers will qualify for Teen Masters via the National Finals. Bowl Ontario Tenpin is holding a Provincial Tournament to qualify a Junior or Senior Boy and Girl. They will receive a paid entry into Teen Masters North American Finals (value of roughly \$500 Cdn) as well as dollars to go towards travel expenses.

## Teen Masters requirements

The Teen Masters rules require that all athletes compete using the same bowling ball, with the intent being to level the playing field and put the emphasis on the bowler rather than the equipment. Balls weighing 14-15 pounds must be the **Skills 3.02 Bowling Ball**. Bowlers may opt to use 12, 13 or 16 pound **Storm Mix**. Balance/weight holes are prohibited. This applies at the North American Finals, and also at the World Finals should they be held.
